

ADOREU

A Perpetual Eucharistic Adoration Management System

(Version 1-26-2010)

Developed by www.swmichcatholics.com

All rights reserved.

OVERVIEW

ADOREU is an Internet-based Perpetual Eucharistic Adoration Management System which provides secure online access to adoration management information and uses a flexible **team-based** approach to assist in managing the scheduling complexity of multiple Perpetual Eucharistic Adoration sites involving the coordination of hundreds of CATHOLIC volunteers. Each site can be managed separately and offer adoration hours/times that are different while intelligently sharing resources between sites where appropriate.

BACKGROUND

The system has been under development since the beginning of 2009 and officially launched on November 1st, 2009. Access to the **ADOREU** system is located on the www.swmichcatholics.com homepage and offered as a **FREE service** to the Sacred Heart Chapel located in St. Joseph, Michigan. On Christmas Eve December 24th, 2009, the system was gifted to all Parishes in the Diocese of Kalamazoo and made available to those who wish to use its services FREE of charge (perpetual license). **The GOAL is to support the development and growth of Eucharistic Adoration in the Diocese of Kalamazoo... and beyond.**

REQUIREMENTS and SYSTEM ACCESS:

Users of ADOREU System will require a computer, web browser and Internet connection. The system was designed and tested in a Microsoft Windows environment running Internet Explorer (version 6 or higher). Other computer platforms and browsers (Mac , Mac OS, Linux, Firefox, etc..) will likely work but have not been fully tested.

Only authorized persons are permitted access to the system. This is for privacy and security reasons. There is minimal information stored in the system and this information is intended to be used solely for Adoration management purposes. ***Upon sign on into the system, the ADOREU user agrees not to us this contact information for any other purpose.***

To gain access to the system, the adorer will require a sign-on username and password. This information will be provided by the Adoration Team in charge of managing the Adoration Site. The team will establish a "new" adorer record in the system database and will collect basic contact information as part of this setup process. This information includes the Adorer's name, phone number(s), email address and home address. Each new ADOREU user will be training how to use the system and be provided a copy of this documentation for reference.

WHAT CAN ADORERS DO WITH THE SYSTEM?

Adorers are able to display the contact information of all other adorers , edit their own contact information and preferences and view the entire adoration schedule. New features are being developed each week. The system will help everyone by providing flexible scheduling options and record individual user preferences such as teaming up with other people to help cover hour(s). It's truly a community tool. The more that use it, the more valuable it becomes.

HOW TO ACCESS THE SYSTEM:

STEP 1: Visit <http://www.swmichcatholics.com>

Welcome to ADOREU
A Team-based Eucharistic Adoration Management System

ANNOUNCEMENT December 25th, 2009:

The **Sacred Heart Chapel Adoration Committee** in Saint Joseph, Michigan is pleased to announce a special Christmas gift to Bishop Paul Bradley and the Diocese of Kalamazoo.

FREE perpetual licensing, support and use of the ADOREU online adoration management system for all Parishes in the Diocese of Kalamazoo.

Parishes interested in taking advantage of this gift can contact Joe Campbell at 269-429-5883 (evenings) for more information and how to prepare. This gift valued at over \$12,000/year includes weekly software development for ongoing continuous improvements along with web hosting and site maintenance fees.

The **GOAL** is to support the development and growth of Perpetual Eucharistic Adoration throughout the Diocese of Kalamazoo and beyond...

ANNOUNCEMENT November 1, 2009:

The **Sacred Heart Chapel** in Saint Joseph, Michigan in partnership with **SWMichCatholics.Com** is pleased to announce the launch of a new online computer system called **ADOREU**.

STEP 4: Enter your username and password in the boxes provided, select which adoration site you want using the drop-down pick list and then click on the **LOGIN** button. The default Adoration Site is the "Sacred Heart Chapel".

You are now logged into the ADOREU System: The main screen will appear. At the top of the screen you will observe your logged in name and adoration site listed. Menu options appear in left window and the Main window shows a scrollable list of all adorers with their contact information. As you click on various menu options, the content of the main window will appear.
